

Remote Learning - Google Classroom

Login

1. Google classroom login: firstname.lastname@students.marymount.fr
2. Password
If you don't know it, please contact the ithelpdesk@marymount.fr
3. Elementary School homeroom teachers will add class assignments
4. Options on how to complete work:
 - a. **Paper version:**
print out the work and your child can complete it. As directed by the teacher, you can keep the work and hand it in when the school reopens or scan the completed work and attach it to the google classroom assignment.
 - b. **Paperless version:**
Create a doc/slide and write the answers for the assignment on it and 'turn in' when complete.
5. Your child can ask questions by using the 'Private Comments' button as shown below. This will be sent only to the teacher who can directly reply to your child.
6. **Please watch the [video](#)** below to see how to access assignments, turn in assignments and contact the teacher.
